5	I felt like every time I called to check on something or was given an answer it was not correct. I would have to go through several different people and make several phone calls to get any information I needed. I also almost got dropped from all of my classes due to them telling me a did not need to fill out a time frame constraint when in reality I did need it. This caused me to be late on my paymenyt and almost got completely dropped from all my classes. I feel like these employees need to be better trained on what information they are giving.	4/15/2013 12:21 PM
6	The book store was terrible, even stopped getting my books there!!	4/14/2013 1:09 PM

19	My only complaint with Howard College is with transferring credits in from another college. The person that evaluated my transcript took a full year to transfer in 6 of over 35 credit hours. This resulted in a lot of hoops to jump through, and many people to track down, admittedly because the first person did not understand some of the words in the course descriptions of my transfer hours.	2/17/2013 11:16 PM

Howard College - Graduating Student Survey 2012-2013

17	I would recommend going to Howard College for anybody wanting to get dual credits or even to further their education. I mainly go to school at the Lamesa campus and had to commute twice during my two years at Howard in order to take Microbiology and Chemistry. I really wished the Lamesa campus had offered these classes at their own campus so I wouldn't have had to commute. Either way I enjoyed having these two classes and will continue to let others know that just because you want to get away to another town and experience the freedom of being on your own, there's nothing wrong with starting at a small college and working your way up. I was very hesitant of going to Howard College because I thought the campus in Lamesa was too small and it probably didn't offer recreational activities and organizations that I could be in but after starting off my year here, it didn't bother me so much because everybody was so nice, I knew almost all the people that I had classes with and the ladies that work in the office, Monica Campos and Donna Coulter, are amazing at what they do and will welcome and work with anyone that needs their help. They have made me feel at home and have helped me reach my goals at Howard.	4/24/2013 12:13 AM

Howard College - Graduating Student Survey 2012-2013

67	If the teachers mandate the students to print material for the class, the college should provide access to computers, printer, ink and paper for the students! When they to print material for call that was mandated by the instructor, the staff at the lib and steps lab would not allow the students to print and were very rude about the situation on several different occasions. The book store is very unorganized in getting material ordered for teachers, very rude the majority of the time and often prove to have lack of knowledge in the duties of their job and material they sell. I DREADED every time i had to go to the book store. Other then this HC was great.	4/2/2013 10:07 PM
68	Like automotive classes, they were cool	4/2/2013 7:26 PM
69	My educational experience at Howard College was very exciting and informative. The teachers and staff on campus are amazing individuals who inspire others on a daily basis. Attending Howard College was an honor.	4/2/2013 6:40 PM
70	The Theater Department is great although needs more classes on makeup-costume. I have greatly enjoyed being a theater student. I have been involved in many extra curricular activities and have had wonderful experiences. I would suggest advicement needs to work with students more on making sure they are getting all the class's they need for their degree. Coming to Howard College was one of the best decisions I have made in my life.	4/2/2013 1:28 PM
71	I have enjoyed my 2 years that i have been at Howard College, it took work to complete what i have need to complete, but without the a great staff I wouldnt have been able to get through! Will definetly miss the campus these next years, but thankful I am on my way to furthering my degree!	4/2/2013 11:34 AM

95	Coming from a high school that was very large to Howard was a change but I feel like it was for the better. There is a lot of one on one with the teachers and I feel that because of that my grades improved a lot. Being away from home also was not always easy but living in the dorms became very homey in my experience living here	3/20/2013 10:37 AM

100	My experience at howard college was good i had good instructors and i loved the fact that my class size was small and my professor was able to focus more on each individual student. But what i dint like was that a lot of times i was lost beacuse i dint know much about how a college worked and howard college dosent really give you much information and at the library the lady that is in charge not mrs. hidalgo i dont know her name but anyways she was rude all the time and she hated when people had to print something she made it seem like she was paying for every paper that came out of the printer. But apart from that i liked everything else it had an enjoyable atmosphere	3/15/2013 1:15 PM

105	I really enjoyed my time here at Howard!	2/19/2013 2:19 PM
106	Since attending Howard College I have gtrown as a student. I have more confidence in my self. And have realized that I can do anything that I put my mind too. For if it wasn't for this and Howard College and the instructors I would have never made it into Phi Beta Kappa or Sigma Kappa Delta.	2/19/2013 12:00 PM

118	i really liked the teachers i had especially in the science department they are really helpful and good teachers	1/17/2013 11:06 AM
119	I understand the most important thing that a person can have is knowledge and learning thanks to the professors here. One of my favorites was the English class here, but all the classes and professors here do a good job of showing how their area relates to life.	1/16/2013 3:05 PM
120	very great and memorable	1/14/2013 11:34 AM
121	I had a great experience here at Howard and enjoyed attending here the only thing I would like to see more student activities done and more available courses offered not just certain times. I was kinda disappointed with advising just because I did get s back due to a class taken bumed on that but im looking fprward	12/18/2012 11:57 AM
122	I only had a problem with a few instructors who taught online classes. It would have been nice to have newer computers in the computer lab, as well as some that could have been worked on to help with troubleshooting skills.	12/12/2012 9:37 AM
123	I really enjoyed my time and whole experiance with Howard College, I will miss it.	12/11/2012 5:28 PM

Howard College - Graduating Student Survey 2012-2013

138	I enjoyed coming to Howard, not only because it's a few blocks from my house, but because it seemed like a challenge that I could accomplish. It makes me a little sad to know that I will be graduating and having to go elsewhere, but I am nonetheless proud of myself.	11/13/2012 10:48 AM
139	It is a little more difficult for transfer students; the process to get one's credits transferred is very complicated and difficult.	11/13/2012 10:13 AM
140	I enjoyed it. Going to a two-year college at first was helpful.	11/8/2012 2:17 PM
141	I enjoyed being here.	11/8/2012 2:00 PM
142	I really had a good time at this college over all.	11/8/2012 1:37 PM
143	I have received a great education while attending Howard College. ~Chris Harris	11/8/2012 12:40 PM
144	I have enjoyed my stay at Howard College and appreciate everything this institution has done for me.	11/8/2012 10:15 AM
145	I have been good because the teacher taught on me a lot of show a Vehicles as Service AutoMotive. The reason Swcid is better than in high school.	11/7/2012 5:20 PM
146	Educationally here at HC you don't just learn the things that you need for that one class, but you learn things you will use for a life time and that is what I have Loved about Howard College	11/7/2012 4:48 PM
147	I enjoyed going to classes to learn the experience and be successful on getting a job after I graduate.	11/7/2012 4:31 PM
148	I really enjoyed Howard College classes and the campus is easily accessible. I liked all my professors.	11/7/2012 4:21 PM
149	After attending here at Howard College for two years, I feel I have really benefited from being enrolled at this campus. My educational experience has really helped me get ready for the next level, a four year college.	11/7/2012 4:12 PM
150	It's been two and a half years and I enjoyed my time here very well. I've met quite a few professors here who definitely helped to expand my mind and think about things in a different way, but I've also met a few that have no clue as to what they were doing. You can't win in everything. I'm glad I came to Howard College and I'm looking forward to moving on to Angelo State so that I can get my bachelors in journalism.	11/7/2012 2:36 PM
151	My educational experience here at Howard College was very enjoyable. The staff in all departments were very friendly and very helpful. I felt very at home here even though I am 500 miles away from home.	11/7/2012 1:00 PM
152	Many teachers were helpful and could teach the material that was easy for me to follow. However, this cannot be said for all. I did encounter quite a few professors that did not teach with an easy understanding and used difficult language that was hard to comprehend. Overall, my experience has been well and I've learned what I needed to continue my education.	11/5/2012 8:52 AM
153	I've had a good learning experience over all at Howard College. The only thing I really disliked this semester was the course I enrolled in for History 1301 with Amber Anderson. I feel like she treats this course like an English class rather than a History class. I've had her in the past and I feel like she's too hard on the courses she teaches. I can barely maintain a passing grade. It might just be the way I learn but other than that all of my other instructors have been great. The bookstore on the other hand has terrible customer service, they are usually rude or don't know which book the student needs. Financial Aid was bad since I enrolled at Howard. I usually had to submit my paper work up to three times before I could find out what the next step was. It's a good college but it does need some improvement.	11/4/2012 1:07 PM
154	I have been out of school for about 30 years. Everyone was very patient and helpful getting me back into the learning experience.	11/1/2012 12:41 PM
155	This was just a test of the survey.	11/1/2012 9:05 AM
156	Howard College has been a wonderful experience the past two years. I am a cheerleader and the advisor helped me get around my schedule and the professors were all great! Being an RA as well, I helped set up a lot of the student activities and those were all so much fun! I'd recommend Howard College to any one who is looking for a school, because not only do you learn a lot by great professors, but you also have a lot of fun and there's no way you can go to Howard and not make a friend!	11/1/2012 8:32 AM

Howard College - Graduating Student Survey 2012-2013

157	Howard College has taught me that it is important to be a well rounded student. Being good at one specific thing is not as good as being good at several things.	10/30/2012 2:52 PM
158	My educational experience at Howard has been really good. All of the instructors I have had made me work and earn the grade that I have recieved.	10/29/2012 3:01 PM
159	Swcid need update new systems	10/23/2012 9:07 AM
160	I was very excited to learn that I could finally complete my two year degree at Howard through the Angel system. I have enjoyed my three semesters and the online classes were just as challenging as the face to face classes. I wish Howard was a four year college because the staff and faculty have made the experience go very smoothly.	10/2/2012 10:27 PM
161	parking tickets are given for NO GOOD REASON	10/2/2012 2:49 PM
