Very good. They do need to be better with the student ID's. It gets confusing and takes a great amount of time to complete.

To help show students more about the campus. Such as were things are.

I think that it is good the way it is. I rarely had problems other than the fire fox have to be a certain kind(10)

I don't know.

By entertaining the new students and making them feel welcome. Students are excited to go to college.

No need for improvement

More organization. More activities.
