¹Select a course from the creative arts core curriculum at Howard College.

²Select a course from the science core curriculum at Howard College. The course must contain a laboratory component.

³ECON 2301 satisfies the social sciences core curriculum requirement.

⁴The A.S. from Howard College requires a computer course to be taken unless proficiency can be demonstrated. This transfer guide assumes that the student is proficient in computer science and can replace a computer course with a business elective (BUSI 2301) that can transfer towards the BBA in MIS.
