

## Academic Fresh Start Election

Senate Bill 1321, passed by the 73<sup>rd</sup> Texas Legislature, entitles residents of the state or Texas to seek admission to public institutions of higher education without consideration of courses undertaken ten or more years prior to enrollment. This bill is also called “right to an academic fresh start” under the statute of the Education Code 51.931.

By signing this form, I elect to participate in the fresh start program. In doing so, I am electing to have all coursework taken ***ten or more years prior to the standing date*** of the semester that I am seeking enrollment ignored for admission purposes. I fully understand that this is an irreversible decision. This decision has no effect on my TSI status.
